Dear Maria, Benoît, Georges,

Thank you for your letter, I have noted the position of the USB, USEF and FFPE.

However, I have nothing further to add to what was stated in my letter of 17/11 and I find it regrettable that you persist in these matters.

The Reform has been approved by Member States and it is time now to move forward to the implementation phase, it would be most productive if we were all to move to that phase together.

Yours sincerely,

Eamonn Brennan  
Director General
